

TEHREEM FATIMA

Software Engineer

tehism672@gmail.com · Karachi, Pakistan · linkedin.com/in/tehreemfatima

PROFESSIONAL SUMMARY

Software Engineering student with hands-on experience in full-stack web development, RESTful APIs, and cross-platform mobile apps. Delivered client projects including an **NHS Hospital Management System** and a **NASA-themed website**. Reduced load times by up to 30%. Skilled in PHP, Laravel, ASP.NET MVC, React, Flutter, and Python.

TECHNICAL SKILLS

Languages: PHP, JavaScript, Python, C#, Dart, HTML, CSS

Frameworks: Laravel, ASP.NET MVC Core, React, Flutter, Bootstrap

Databases: MySQL, SQL Server, Firebase

Tools: RESTful APIs, Git, GitHub, GitLab, Bitbucket, Vercel

PROJECTS & EXPERIENCE

NHS Hospital Management System — Client Project

PHP · MySQL

2025

- Built hospital management system with patient registration, appointments, billing & role-based access control.
- Designed normalised database schemas improving query performance and reducing data redundancy.

NASA Static Website — Client Project

HTML · CSS · JS

2025

- Developed responsive NASA-themed website with interactive UI components and optimised asset loading.

Full-Stack Web Development — Multiple Client Projects

PHP · Laravel

2024 – 2025

- Built and deployed client websites; reduced load times by up to 30% through performance optimisation.
- Designed responsive UIs with HTML, CSS, Bootstrap and JavaScript.

Restaurant Management System

ASP.NET MVC · SQL Server

2024

- Created modules for menu management, order processing, and staff roles with role-based access control.

Cross-Platform Mobile App & WhatsApp Automation

Flutter · Python · Firebase

2024

- Built cross-platform mobile apps with Flutter/Firebase; developed Python-WhatsApp API automation reducing response time.

RESTful API Development & Third-Party Integrations

PHP · Laravel

2024 – 2025

- Built secure authentication APIs and integrated third-party services ensuring data integrity and privacy.

EDUCATION & LANGUAGES

B.Sc. Information Technology (Expected 2028)

Virtual University of Pakistan · 2024–2028

Certification in Software Engineering (In Progress)

Aptech Learning Pakistan · 2024–2026

Higher Secondary Certificate — Pre-Engineering | Grade: A

Al Badar College · 2021–2023

English: Fluent

Urdu: Native

Soft Skills:

Problem Solving, Attention to Detail, Communication, Team Collaboration
