

Tehreem Fatima

Software Engineer

Karachi, Pakistan | tehism672@gmail.com | linkedin.com/in/tehreemfatima

PROFESSIONAL SUMMARY

Software Engineering student with hands-on experience building full-stack web applications, RESTful APIs, and cross-platform mobile apps using PHP, Laravel, ASP.NET MVC, React, Flutter, and Python. Delivered client projects including an NHS hospital management system and a NASA-themed website, reducing load times by up to 30% through code optimization. Seeking remote software development opportunities.

TECHNICAL SKILLS

Languages: PHP, JavaScript, Python, C#, Dart, HTML, CSS, SQL
Frameworks & Libraries: Laravel, ASP.NET MVC Core, React.js, Flutter, Bootstrap
Databases & Data Tools: MySQL, SQL Server, Firebase, Power BI (DAX, Data Modeling)
Tools: Git, GitHub, GitLab, Bitbucket, REST APIs, Vercel

EXPERIENCE

Freelance Software Developer — Self-Employed / Client Projects 2024 - Present

- Developed a full-featured hospital management system for an NHS client (PHP, MySQL) with modules for patient registration, appointment scheduling, doctor management, and billing; implemented role-based access control to secure sensitive patient data.
- Built and deployed multiple client and personal websites (PHP, Laravel, MySQL), improving responsiveness and reducing load times by up to 30% through code optimization.
- Designed and developed a responsive NASA-themed website with interactive UI components, smooth animations, and optimized asset loading across devices.
- Built a restaurant management system (ASP.NET MVC, SQL Server) with menu management, order processing, and role-based staff access.
- Developed cross-platform mobile applications (Flutter, Dart, Firebase) with real-time database, authentication, and responsive UI for Android and iOS.
- Built a Python automation system integrating website contact forms with automated messaging, streamlining client communication and reducing manual response time.

EDUCATION

Bachelor of Science in Information Technology (Expected 2028)
Virtual University of Pakistan · 2024 – 2028

Certification in Software Engineering (In Progress)
Aptech Learning Pakistan · 2024 – 2026

Introduction to Data Science — Certificate
Cisco Networking Academy, via ITU-DTC Pakistan · October 2025

Apna College — AI/ML Prime Batch
Artificial Intelligence & Machine Learning | Python | Machine Learning

LANGUAGES

English (Fluent) · Urdu (Native)
